Mariners true,
White and the blue,
Honor and glory always for you.
And we shall know
Where'er we go
Thy light shall be a beacon to see.
All hail to Thee,

Our love for Thee will go on forever.

OUR PRINCE CHARMING!

It is with gratitude and pleasure that we dedicate our 1964 annual to our deserving assistant principal, Mr. Jack Powers. The background of vast experience that he brought with him to Ferguson has been of benefit to all who have come in contact with him.

After graduating from South Norfolk High, which is now Oscar Smith, Mr. Powers attended the University of Richmond. In 1940 he graduated with a Bachelor of Arts Degree in history. After deciding to enter the teaching profession, he began his career at Ashland High. From

there he went to Chester, Oscar Smith, and Craddock High. Among the subjects which he taught were history, English, economics, and physical education. In addition to these he found time to coach all four major sports.

Before coming to Ferguson as assistant principal in 1961, Mr. Powers taught history at Newport News High and coached our rival school in football, basketball, and baseball. During this time he attended summer school at the College of William and Mary and received his Master's Degree in Education.

Our assistant principal has always been keenly interested in athletics. In both high school and college he participated in football, basketball, and baseball. Before World War II he played professional football for the Portsmouth Cubs and the Norfolk Shamrocks.

Mr. Powers is a loyal Ferguson fan and a fervent supporter of all school activities. He has the admiration of students and faculty alike. In years to come the name of Mr. Jack Powers is certain to be synonymous with a friendly smile, a deep personal concern for the welfare of each Mariner and a sincere devotion to duty.

"OH, NO! NOT YOU AGAIN!"

"HERE'S HOW, BOYS!"

"KEEP TO THE RIGHT, MARINERS!"

How valuable our keys

to the doors of success

Sandy Smith
Editor

Some people say that a "treasure" is an accumulation of wealth while others feel that it is a greatly valued thing which should be put away for future use. By these two definitions I qualify Ferguson as the personal treasure chest of every hearty Mariner!

Each day at Ferguson enriches our knowledge of life, enhances our priceless school spirit and increases our private store of memories. The knowledge we have gathered in these halls will be our precision tool in future years. With it we will carve for ourselves a place in a competitive society. The pride that we, as students, feel in our school marks Ferguson as an outstanding school on the peninsula. Our undaunted school spirit proclaims to all that we have much to offer and much to gain through our unity of purpose. The lasting friendships begun here will not end here but will abide with us as gems of remembrance to remind us of the many happy times shared here by our fellow Mariners.

This year has been a memorable one at Ferguson; it has been especially valuable and impressive to the seniors. This annual is our effort to provide you with a pictorial key to the treasure chest that is Ferguson in the year 1964.

Foreword

Gems for . . .

remembrance

The keeper of the keys

Mr. Thomas E. Baines

Principal

May I commend you upon another successful year at Ferguson High School. Many of you have taken full advantage of the excellent opportunities offered by the school to improve your educational ambitions; each one of you has made a significant contribution to the growth and development of the school during the year.

The school and the ideals for which it stands is like unto a treasure chest of great riches. Your attendance and the way you use your time here are like unto golden keys that unlock the treasure chest. The riches of the treasure chest will help you to find security, prosperity and happiness in a rapidly changing world. Your daily experiences will help you to realize that a good education is necessary to an enjoyable way of life.

Homecoming Queen

Sandra Lee Smith

Ferguson's First

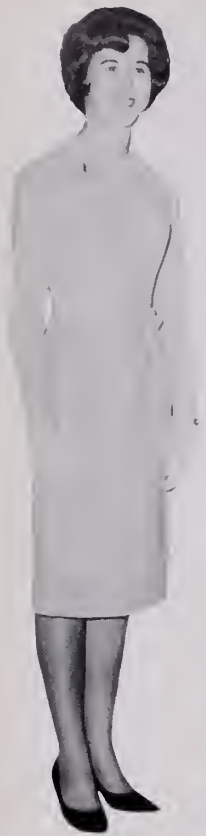

Excitement prevailed October 25, 1963. Students were running to polish their cars, to select their dates' corsages. Phones were ringing. Plans were made, changed and made again. The pulsation of excitement quickened. The night was drawing near. Ferguson High School's first Homecoming was here at last.

All classes were proudly represented at the game, as the nineteen sixty-three Homecoming Court was presented. Miss Sandy Smith received the crown as the team received the glory of winning our first homecoming game by the impressive score of 27 to 6 over Suffolk. Sandy was perhaps a little disbelieving at first, but walked with poise and gracefulness as she led her court off the field.

Homecoming came to its climax at a dance held in honor of the queen and her court. The cafeteria was appropriately festooned with the Mariner colors. Howie and the Blazers provided music for the occasion. One and all experienced an enjoyable evening.

The Mariner Band, for the first time this year, elected a Band Sweetheart. To be qualified, girls had to be active in band and have a good personality. The Band members voted by secret ballot and results were not revealed until the night of the Ferguson - Warwick game.

Miss Judy Watson was crowned Band Sweetheart and was presented a bouquet of red roses and a silver bracelet with her name and "Band Sweetheart" engraved on a charm. Her attendants were Miss Courtney Andrews and Miss Ann Sekerke.

Selected by a straw ballot

Dorothy Lucille Correll

Dorothy will probably be best remembered for her vociferous enthusiasm on the sidelines and her quiet reserve in the classroom. She has urged her teams to victory since the eighth grade and has served the past four years as either captain or co-captain of the cheering squad. In the spring of 1963 the National Honor Society reviewed her qualifications and readily admitted her as a member in good standing. Dorothy's leadership ability has further been demonstrated through her class and S.C.A. work. Last year she served ably as president of her class. S.C.A. began to command much of our cheerleader's time as far back as the eighth grade. She has several times represented her school as a delegate to S.C.A. District, Federation and State Conventions and this year serves as secretary of her S.C.A.

Service . . .

James Alexander Boon

Jimmy's friendly smile and winning ways make him a favorite wherever he goes. Key Club members recognize him as a leader among leaders. During his sophomore year he was an alternate to the Key Club International Convention and was a representative to the District Convention. During his junior and senior years he served his Key Club as secretary and vice president respectively. As a junior Jimmy was inducted into the National Honor Society and this year serves as its president. His membership in S.C.A. extends back to the eighth grade. He has represented Ferguson at the S.C.A. District Convention and has served on numerous committees of S.C.A. This year Jimmy serves as a Senior Usher.

Seniors . . .

of the senior faculty.

The first thing to impress one about Bobby is his versatility. He has been successful in all fields of endeavor. His athletic ability is attested to by his participation in basketball, football, and track over the past five years. He has been an active Key Club member for three years and this year serves as its president. He has represented his club at both the Key Club District and International Conventions. He served as the competent vice president of both his sophomore and junior classes. Bobby is a member of the National Honor Society and is a Senior Usher. For the past four years S.C.A. work has rounded out Bobby's busy schedule. He has taken a keen interest in school government and has represented his school at the S.C.A. District, Federation and State Conventions.

Robert Amory Myers, Jr.

Scholarship . . .

Martha's school days have been marked by the quiet efficiency of a perfectionist. Mariners who have read their names in "Teen Herald" for the past three years probably have been unaware that Martha was the school reporter who put them in the spotlight. Her literary talent and organizational ability made Martha a natural choice as one of the first co-editors of Ferguson's newspaper, the WINDJAMMER. During her junior year Martha became a member of the National Honor Society. Her truthfulness and sincerity led her classmates to elect her their class treasurer during her sophomore, junior and senior years. For the past five years Martha has been a member of the S.C.A. and has served as a delegate to the S.C.A. District and Federation Conventions.

Martha Lynn Gentry

Class of '64

Leslee Gaye Lustig

"Little but lively" might adequately be applied to Leslee. Her efforts, abilities and interests have all left their marks on Ferguson. For the past three years she has been a mainstay on the cheering squad. During her junior year she was a member of the A Cappella Choir and during the same year she won recognition by being tapped for membership in the National Honor Society. Leslee's S.C.A. service has been long and devoted. This year she serves as first vice president of the governing body. Outstanding service during her freshman year as treasurer and during her sophomore and junior years as reporter well qualified Leslee for her present position. She has also served as a delegate to both the S.C.A. District and Federation Conventions.

Leadership

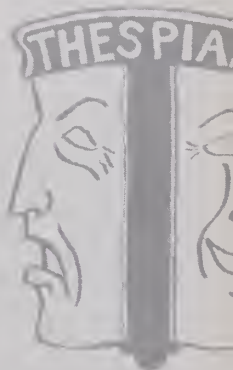

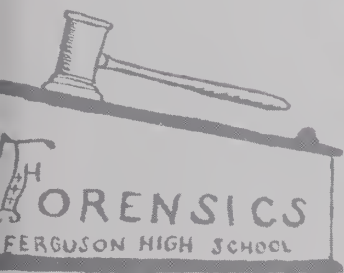

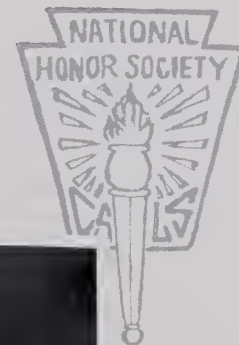

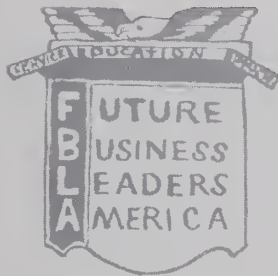

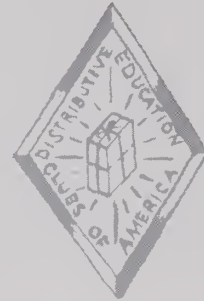

David Whitt Rutledge

Because of his many outstanding accomplishments in S.C.A. work, David has become known as "Mr. S.C.A." to Ferguson students. His work in this organization dates back to the eighth grade. During his freshman year he was S.C.A. president and for the next two years served the S.C.A. as second vice president. This year Ferguson felt honored to have David elected state president of S.C.A., an office which sent him as a delegate to the National Convention. David's abilities also carry him onto the playing field. He played junior high basketball and has long been a member of the varsity football team and track squad. "Mr. S.C.A." is a Senior Usher and a member of the WINDJAMMER staff. The Key Club, too, claims David as one of its outstanding members.

Senior Class History

We, the Senior Class of 1964, the first class to have spent its entire high school career at Ferguson, have many fond memories of things past.

We first entered the halls of Ferguson, then Warwick Junior High School, in the autumn of 1959. Giggly with excitement, we toured the building for the first time, marvelling at the differences we found from elementary school. We found ourselves suddenly subject to new rules; we experienced having more than one teacher, lunch time without a teacher to watch over us, and rushing to get to class on time. We began exploring the various "new" activities of a junior high - football, basketball, S.C.A., dances and clubs.

The following year we, as freshmen, were the upperclassmen and the leaders of our school. David Rutledge served as president of the S.C.A. Our football and basketball teams again ranked highest on the Peninsula; they were urged on enthusiastically by our cheerleaders and cheering section. Perhaps the most outstanding event of our freshman year was our mock election of Richard Nixon as President of the United States. Spirit ran high and enthusiasm showed itself in the vigorous campaigning which preceded the election.

In the spring of our freshman year, we all heard the news that Warwick Junior High was to be transformed into Homer L. Ferguson High School. Therefore our sophomore year became one of the most exciting years as we entered a period of transition from junior high to high school. Because our junior class was new from Warwick that year, it was the sophomores, led by the newly elected president David Cottrell, who worked diligently in planning an orientation program for the newcomers to Ferguson High. Many traditions were begun and precedents set that year. Our sports department made tremendous growth with the addition of a baseball team, a golf team, a tennis team, and a wrestling team. They all did remarkably well! Our class held the first Sophomore Recreation Night which we hoped would become an annual Sophomore event. Though that was a year of many, many changes, by spring thoughts were turning to the junior year, one of the most important of our high school career.

That year we gave the first Senior Prom. What an experience that was! Dorothy Correll, as our class president, served as co-ordinator of Prom activities. Projects to raise money were held, including the first powder puff football game complete with male cheerleaders and homecoming court. The junior girls defeated the senior girls, whom they had challenged. The powder puff football game was only one of the first of the class of '64. We held our first twirp week, and, as a class, we sent a boy and girl to Boys' State and Girls' State. We ordered our class rings in February and we thought they would never arrive. However, the big day in May finally came, and with boundless enthusiasm and pride in our school, we had our rings placed on our fingers or around our necks. Then we could honestly feel that the biggest and best year of them all, our senior year, loomed near at hand.

Our senior year was just what we had expected--the most outstanding and formative year of our lives at Ferguson. Early in September, our class president Paul Phillips called a class meeting and necessary committees were formed for the class song, flower and motto, for convocation, for commencement, and for the dozens of other things that seniors must concern themselves with. As we assumed more responsibilities, we were granted more privileges.

Early in March we ordered our caps and gowns, calling cards and announcements, along with another Ferguson first---the class key. These arrived in May. By this time, most of us had decided whether college or career lay before us. Our Prom was held on May 23rd in the gyms with "Camelot" the theme. The Senior Banquet, held on April 25th, featured Mr. James Windsor as principal speaker. The Senior Assembly was held on May 29th. Scholarships were presented to deserving Seniors and the Senior gift, a new podium, was presented to Mr. Baines, Mrs. Passage, and Mrs. Taback. The Convocation Service was held on June 4th, followed on June 5th by the Senior Picnic which was held at Mariner's Museum. Commencement, the biggest event of the year was held on June 7th on the school lawn. Our Senior speakers were Jimmy Boon, valedictorian, and Olivian Boggs, salutatorian. The high school career of the class of '64 had come to an end.

For years Ferguson has been the axis of our activities. Beneath its roof we've discovered a sometimes exciting, sometimes challenging, sometimes monotonous world, composed of teachers and friends, work and play. So now we leave this high school behind us, equipped with knowledge which needs to be applied in order not to be forgotten.

The big night of the

Queen Nicki & King Paul

Saturday, May 23rd was one of the most anxiously awaited evenings of the year for many Mariners. It was the date of our Senior Prom and the climax of weeks of preparation on the part of the juniors. Their efforts were brightly reflected in the magnificent transformation of our gym into the castle Camelot. Certainly all those who attended were very much impressed and would agree that this year's prom was a grand success.

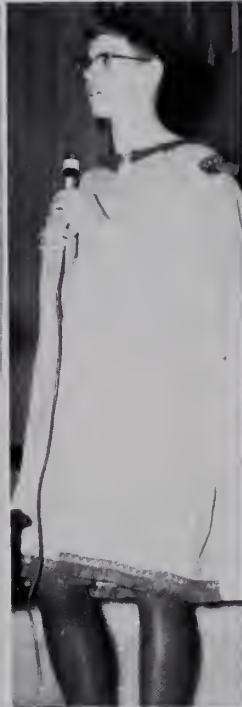

Senior Prom finally arrived

Assembly and Picnic—June 5

Senior Banquet—April 25, 1964

Another outstanding event of the Seniors' year was the banquet held Saturday evening in the cafeteria. David Rutledge, master of ceremonies, introduced the guest speaker Mr. James

Windsor of Christopher Newport College. At the close of the banquet the Seniors stood and sang their class song "You'll Never Walk Alone."

Convocation Service—June 4, 1964

Convocation was held Thursday morning in the auditorium. After the processional, played by Rives Cassel, and the introit, sung by our A Cappella Choir, the invocation was given by Rabbi

Arnold Task. Our speaker was the Reverend Mr. Elmer Bosserman. After the choir sang "America My Own", Father Frank Ready gave the benediction.

THE CLASS OF '64

We cast our eyes back o'er our past
Where years behind us lay,
A part of us that will always last
A voice that will say:

Remember Ferguson and her goals,
And days of work and fun,
And all the friends from our class rolls,
The diploma to be won.

As out in life we now depart,
Our motto is our guide;
The wise old Mariner and his chart
Forever by our side.

And may we always grateful be
To that which is our core,
To those who molded and made us-
We the Class of '64.
